

Ref: 17 L'Aixopluc

BELLVER DE Cerdanya

DESCRIPTION

General Description Aixopluc is more than just a house; it is an exercise in contemplative architecture. Set on a private 2,500 m² plot in Bellver de Cerdanya, this unique masterpiece has been designed to blend seamlessly with the surrounding black pine forest and mountains. The charred wood facade (Shou Sugi Ban style) and floor-to-ceiling windows ensure the boundary between the interior and the forest completely disappears. The Interior Spanning 85 m², the space is organized in a fluid and minimalist layout: Living Area: An open-plan space featuring a Nordic-design kitchen and a lounge centered around a modern wood-burning stove. Master Bedroom: A suite where the landscape is the main artwork, featuring natural linen textiles and soft lighting that invites absolute relaxation. Spa Bathroom: Equipped with a standalone solid-surface bathtub overlooking the forest, offering an unprecedented relaxation experience.
